Ed's Letter

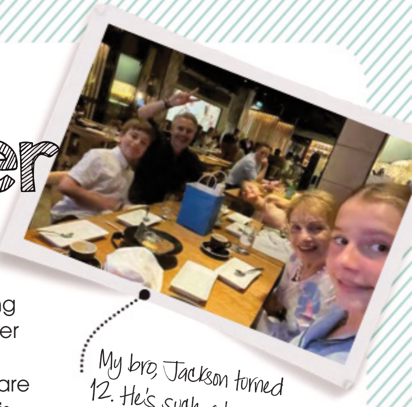
Hey guys,

Welcome to the new issue of **It GiRL**! It's been another busy month for me as I have been juggling school, hanging out with my friends and putting together a magazine all at once! But I wouldn't have it any other way. Okay, so there are three things I'm really excited about this month and they are: 1. The release of *The Little Mermaid* live-action movie which hits cinemas next month. Our cover star Halle Bailey will star as Ariel - so we just had to put her on our cover. She's so talented! 2. Easter school holidays. Term one was a long one and I'm so ready for a break. 3. My birthday! I turn 14 on the very same day this issue goes on sale and I can't wait to celebrate with all my family and friends. I hope you all have something exciting to look forward to as well. Take care until next month.

Love and hugs!

Roxy xoxo

Back to Idol this month, this time with my bro' and sis'. We even met Meghan Trainor inside, but no photos allowed. :(



My bro Jackson turned 12. He's such a legend!

Went to the Harry Styles Sydney concert with my mum. It was golden!

The Shazam! Fury of the Gods premiere in Sydney was awesome!

My little sister, Sienna often struggles with her fashion choices. LOL!

LETTER WE ♥ THIS MONTH

Hello to everyone at It GiRL,
I absolutely love your magazine! I got a subscription for it last Christmas and every month I can't wait to get my new issue. My birthday is only three weeks before my sister's and this year we had a joint Mad Hatter Tea party because we decorated by **It GiRL**! We decorated delicious cupcakes and made yummy sandwiches and asked all our guests to dress up. It was so much fun. Thanks for the cool idea!

10 WAYS TO STRIKE IT rich!

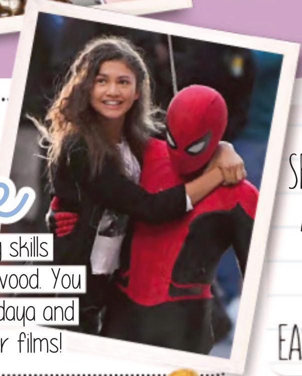
one

Find a cure for the common cold. Not only will we all be sniffle-free every winter, but you'll be paid heaps for making the discovery!

two

Become a world-famous singer, sell a million albums, go on a sold-out tour and earn heaps of money doing it. Easy stuff!

three



Practise your acting skills and make it big in Hollywood. You could be the next Zendaya and star in big blockbuster films!

IT'S SIMPLE. DON'T SPEND ALL YOUR MONEY AND SAVE IT INSTEAD. SURE, IT MIGHT TAKE A WHILE, BUT IT'S THE EASIEST WAY TO GET RICH!

five

Become the first kid to go to outer space. Then write a book about it, get paid to do some TV interviews, and next thing you know there'll be a movie all about you. Score!

6

Become the president of your own company. Start small, like car washing or dog walking, and soon you'll be the richest kid in the neighbourhood!

seven

Offer a room cleaning service to your siblings or cousins and ask them to pay you lots of money to get to work. They'll agree because it means they won't have to do it themselves!

FIND A GIANT GOLD NUGGET WORTH MILLIONS OF DOLLARS AND SELL IT FOR BIG BUCKS. BETTER START LEARNING HOW TO PAN FOR GOLD!

nine

Invent something cool, like a phone that never runs out of battery or an anti-theft wallet. Get to it!

10

Lastly, work hard. There really is no easy way to get rich quickly, but with hard work and determination, anything is possible!

HOW EMBARRASSING!

CHECK OUT THIS MONTH'S TOTALLY OMG MOMENTS...

CINEMA SLIP-UP

I was at the movies with my friends and I saw that my crush was also there with his friends. When I saw him go to the Candy Bar to get snacks, I made my friend come with me to get some popcorn. I took my time so we could end up at the cash register at the same time as my crush, but as we were walking up to the counter to pay, I slipped and fell completely to the floor and my popcorn went everywhere. My crush was nice enough to ask if I was okay but I was too embarrassed to speak to him!

SOPHIA, 13, NSW

SMELLY BALLERINA

One time I was at ballet and we were doing all sorts of jumps. Unfortunately, I really had to fart and it was hard to hold it in. All of a sudden I couldn't hold it any longer and it came out without me wanting it to. It smelled really bad and everyone was holding their noses and my teacher's face was all scrunched up. Everyone knew it was me and were saying things like, "Oh Maxie, that's disgusting!" I still get embarrassed when I think about it.

MAXIE, 12, SA

BIRD SURPRISE

I was walking and talking to my friend at school one day during lunch. We walked under a tree and I felt something drop on my head. I thought it was just a leaf or something so I ignored it until I felt something gooey drip down my face. I had bird poop in my hair and on my face! I screamed and ran to the girls' toilets. I tried to wash it all out but my hair looked gross when I went back to class. And to top it off, my friend told everyone that I had been pooped on, so people kept laughing at me all day. It was disgusting and embarrassing!

CELEB WHOA! MOMENT

"I once sang for a girl when I was younger. I was young and naive, and I'll never do that again. She went out with me once and then dumped me. Sad story. It was really embarrassing! I was in school, I stood by the lockers, with my mates and her mates, and I just broke into song like in *High School Musical*. It was probably the worst thing I ever did."

LIAM PAYNE

MISTAKEN IDENTITY

I was at soccer practice and getting ready for training. My dad was supposed to help me tie my boots because I had hurt my thumb, so I went looking for him because he had been gone for a while. Once I found him I slapped him on his bum and said, 'I've been looking everywhere for you!' The man I slapped turned around with a totally shocked look on his face because he wasn't my dad! It was the most embarrassing moment of my life and my dad still teases me about it.

TAYLOR-LEAH, 11, VIC

HELLO BARBIE

It was the end of year at school so as a treat my teacher let us spend the last hour before home time playing outside. My friends and I were doing handstands against the wall and I had forgotten that I didn't put shorts on under my skirt that morning. When I did a handstand my skirt went up and all my friends saw my Barbie undies. Luckily my friends were the only ones who saw them, but it was still embarrassing!

NATALIA, 9, NSW

CANTEEN BOOGIE

I was in the canteen line and I was talking to a cute boy from my class who was in the line behind me. Afterwards, I found my friends to eat my lunch and one of them told me that I had a booger hanging out of my nose. I was so embarrassed because I realised that the cute boy from my class would have seen it too! I was too embarrassed to even look his way after that.

DOVE'S SPEECH WAS INSPIRING

When Dove Cameron won "Breakout Artist" at the 2023 Nickelodeon Kids' Choice Awards she took the opportunity to deliver an inspiring message to her fans in the audience. "I was a really sensitive and deeply feeling and emotional kid. Oftentimes that left me feeling alone because I felt different than anyone around me," she shared. "The beautiful thing that I learned about being very sensitive is that if you sit with it long enough you can make it into something really special, it can become your superpower. Just know that you're not weak. You're incredibly strong, and you just might be an artist in the making."

MILLIE UNWINDS WITH HER ANIMALS

Millie Bobby Brown revealed to American magazine *Seventeen*, that after a hard day's work she likes to wind down with her animals and loved ones. "I think animal healing is something that I've always found a lot of interest in," she shared in the interview. "Winding down really consists of just taking my makeup off, taking care of my skin, hanging out with my animals and watching movies with the people I love."

LOREN GRAY ANNOUNCES ALBUM

Twenty-year-old singer and TikTok star, Loren Gray has announced that she is releasing her debut album titled, *Guilty*. Loren has been releasing songs since 2018 but this is her first album. "I've been doing this for a while, but this is truly the beginning of my music career," she said. "This album is the start of me coming into my own. This is my moment to define who I want to be as an artist and individual, and what I have to say to the world."

JENNA SAID NO TO WEDNESDAY!

Jenna Ortega revealed that she turned down the role of Wednesday Addams many times! "I got the email about the role, and passed on it," said Jenna in an interview. "I had done so much TV in my life," she explained. "It's only in the last three or four years that I've been able to start going up for film. I was scared that by signing on to another television show it could prevent me from doing other jobs I wanted and cared about." Luckily Jenna loves Tim Burton, who is the producer and director of *Wednesday*, so much that she eventually said yes. "The only reason I went back is because Tim Burton is such a legend," she added.

MONSTER HIGH 2 IS COMING!

Get ready to head back to Monster High! At the 2023 Nickelodeon Kids' Choice Awards the cast from the first film including Miia Harris, Nayah Damasen, Ceci Balagot and Case Walker introduced a sneak peek at the movie's sequel. "We just wrapped filming and are so, so proud of this movie. We had the best time making it, and we can't wait for all you Monstars to see it," said Miia. Ceci added, "We know it's a little early, but we just have to show you a sneak peek." *Monster High 2* will premiere later this year.

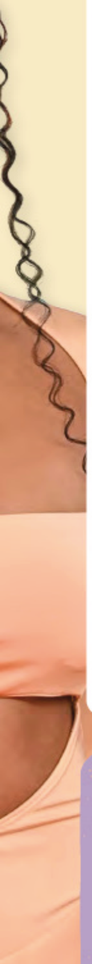
Halle's MAKING WAVES IN HOLLYWOOD!

Meet your new Disney Princess Halle Bailey! She's starring as Ariel in the upcoming flick, *The Little Mermaid*.

Chloe x Halle

SISTER ACT

Halle Bailey was born in Atlanta, Georgia, USA, and grew up with her mum, dad, older sisters Ski and Chloe, and younger brother Branson. Growing up Halle and her big sister Chloe loved to sing so they teamed up and started performing together around Atlanta. The girls enjoyed performing together but knew they wanted to take their singing careers to the next level, so they began posting videos of themselves singing on YouTube. Eventually,the girls went viral and that's how the sister duo, *Chloe x Halle* was born. Once Halle and Chloe's careers started taking off their parents decided to move the family to Los Angeles, California. "We moved to L.A. on the dream of living out what we want to do," said Halle. "We knew that being out here was definitely better for the music scene."



The sisters with Beyoncé in 2016

CHLOE X HALLE

In L.A. things really started to take off for the talented pair. After appearing on the talk show, *The Ellen Show*, they went on to win the fifth season of the singing contest *The Next Big Thing* on Radio Disney, and even made an appearance on the Disney Channel show, *Austin & Ally*. In 2013, they posted a cover of the Beyoncé song, *Pretty Hurts* which went viral and drew the attention of Beyoncé herself! "Two weeks after we posted it, we got this email from Parkwood, her company, and we were freaking out!" The singer was so impressed with the duo that in 2015 she offered them a record deal and the rest, as they say, is history!

5 FUN FACTS!

SHE LIKES TO CRY.
"I love crying sometimes. It feels good, it's a nice release."

SHE'S AFFECTIONATE.
"I love it when people give me kisses and cuddles."

HALLE IS A CAT LOVER.
"I love cats. Dogs are great too, but cats are my favourite."

SHE'S A VEGAN.
"Vegan cake is my favourite meal."

HALLE USES EMOJIS
"My most used emoji is the blushing face."

HALLE'S SOLO SPOTLIGHT

While being one half of a sister duo has been a huge success for Halle, the time has come for her to venture out and try some things on her own. Her first step into a solo career is a big one too, as next month Halle will star as Ariel in Disney's live-action remake of *The Little Mermaid*. "I was so nervous to do something on my own," admits Halle. "I was like, 'I don't know if I can do it without Chloe.' I'm so used to her being there and giving me that final push." But Halle pushed her fear aside, auditioned for the movie, and landed the role of Ariel. "Getting that role felt very surreal," she said. "It was much of a shocker for me." As well as winning the role of a lifetime and becoming a Disney Princess, Halle will also be starring in a film called *The Color Purple* and will even be releasing solo music. "My first love is music. That's where I feel my most free," she explained. "I'm working on new music and can't wait to put it out," she added.

Cupcakes. Let's face it, everybody loves cupcakes. They look pretty and taste totally delish. Get busy in the kitchen and whip up a batch of chocolate cupcakes…

Denim. It can be dressed up or down, can be worn with absolutely anything, is totally comfy and it lasts forever (or until you grow out of it). Perfect!

Exercise. Not only does half an hour of exercise every day keep you fit and healthy, it also releases mood-lifting hormones called endorphins which help you relax and makes you feel positive. Try it and see!

Friends. Friends will come and go at different stages of your life. Surround yourself with people who love you for who you are and bring out the best in you. In turn, be sure to be the most supportive and trusting friend you can be.

Gumboots. Team them with a pair of your leggings and away you go. Brightly-coloured boots are perfect for taking away the rainy day blues. Cotton On Kids gumboots, $24.99, cottonon.com.au.

Hair. For pretty wavy hair, wash your hair and let it air-dry. When it's nearly dry, pull it back in a loose plait overnight. Gorgeous hair in the morning!

Milkshakes. OK, so we all know that calcium is super-important for strong bones, but we also know that drinking milk can sometimes be a little bit boring. The solution? Yummy flavoured milkshakes! If milk isn't high on your list of favourite things, then there are plenty of other ways you can get your calcium hit. Try yogurt, cheese or almonds.

O.T.T. **Sometimes it's totally okay to make some O.T.T. (over-the-top) style choices. Be inspired by your fave celebs and dress up to the max on weekends.**

Photos. If your USB or cloud is getting a bit full, why don't you pick out your fave pics and print them out to frame, or stick them in a cute scrapbook? For added fun, you should try the polaroid look! We can't go past the Fujifilm instax mini 11 with automatic exposure and built in Selfie Mode - sooo amazing! $119, instax.com.au.

Quick fix. Is your hair on the greasy side but you don't have time to wash it? Then you need to get yourself a can of dry shampoo! Simply spray it on, comb it through and in no time flat, you'll have sweet-smelling, clean hair. Trust us, use it once and you won't know how you ever lived without it! Batiste Dry Shampoo, $12, priceline.com.au.

Read. Reading isn't just about books. Feed your mind with newspapers, magazines and online blogs. But if you love a story, join a library during the holidays so you can save money and finally get through all those books you've been dying to get reading!

Skin. Looking after your skin is easy, but a lot of girls find it hard to get into a routine. All you have to remember are three words: cleanse, moisturise, and protect. Wash your face daily with cleanser, keep your skin hydrated with moisturiser and protect it by wearing sun block every day.

Tights. You don't need to put away all your summer dresses. Get extra wear from your clothes by layering long-sleeve tops and tights under them! Maxx tights (2 pack), $12, target.com.au.

Water. Around sixty per cent of your body is made up of water, so it's a no-brainer that you need to keep yourself hydrated in order to keep your body in top shape! H20 helps keep your skin clear, your insides healthy and your immune system strong and regular. Aim to drink a bottle of water a day.

X-factor. Everyone has stand out qualities! Find your x-factor by doing something you love, and enjoying every minute of it.

Yellow. It's getting colder so remind yourself of spring by adding hints of yellow to your look. Keep warm in a yellow scarf or cover your school books in bright and pretty yellow paper.

Zzz. You've heard that a good night's rest helps you feel fresh and think clearly the next day, right? But did you know that while you sleep the body repairs and regenerates tissues and builds bone and muscle. Sweet dreams!

HAVE YOU RUN OUT OF IDEAS FOR HOLIDAY FUN? CHECK OUT THIS HANDY LIST OF THINGS TO DO, SO THE TIME SPENT WITH YOUR BESTIE IS ALWAYS A BLAST!

LISTEN UP

Raid your parents' music collection for some retro tunes. Classic party songs are great for making up dances and having a sing-a-long. So whether you're an *Australian Idol* wannabe or devotee of *The X Factor*, just go wherever the music takes you and have fun!

GET CRAFTY

Throw on some old clothes and start raiding the craft cupboard. Using some paints, chalk or textas, you can each create something pretty for your bedroom walls.

SHOP UP A STORM

Save up your pocket money and hit the shops with your bestie. Challenge yourselves to only buy off sales and clearance racks so you get more for your money!

GET MOVING

Head outside with your scooters or bikes. Doesn't matter if the weather is cool – getting some fresh air and exercise will warm you up in no time.

REVAMP YOUR WARDROBE!

Pull out your clothes that you don't wear anymore and see if anything can be updated. Try adding buttons or studs to an old denim jacket or tie-dye a plain t-shirt for a fresh look. With all the clothes that you have either outgrown or no longer wear, do a good deed and donate them.

SNAP HAPPY

Grab a camera and head outdoors to your local park or beach and take some scenic photos. If you use the self-timer option on your camera, you can easily snap a pic of you and your bestie. Print out a nice photo and frame it for your bestie to keep.

DIY

Stock up on coloured beads, buttons and other trinkets to create a unique piece of jewellery. All you need is some thin elastic and you're all set. Perhaps you can make matching bestie pieces!

Since you love your bestie oh-so-much why not treat her to a day spa? Give your BFF a manicure with her fave coloured polish, then give her a makeover with a new hair style.

MOVIE STARS!

Why don't you and your bestie try a bit of filmmaking? Brainstorm a creative storyline for a short film, then write up a script to follow. All you need is a video camera, and other friends if you need extras or backstage help. Don't forget to organise costumes, then it's lights, camera, action! How fun!

On a rainy day, have a movie afternoon. Stream your fave flicks, grab some munchies and veg out all afternoon!

GET COOKING

Why not flick through some of your mum's cookbooks to find something yummy to make. Have a cook-off if you feel like getting creative, or whip up a batch of cupcakes and spend the afternoon decorating them with coloured icing.

QUIZ TIME!

How well do you know your bestie? Grab a pen and piece of paper and test each other!

1. What's your bestie's star sign?
2. Who is your bestie's fave singer?
3. What's her favourite saying?
4. What's her favourite colour?
5. What's her favourite food?

GIVE ONE POINT FOR EVERY RIGHT ANSWER...

0-1 It's a pretty low score, but it doesn't mean you can't improve on it! Pay more attention to each other.

2-3 You definitely know a lot about your bestie, which means you either ask a lot of questions or you are a good listener.

4-5 Such a high score is definitely something to be proud of! Stay just as you are and you're likely to be friends forever.

7 Days of Friendship

Here's how to make the most out of your friendships, seven days a week!

Day 1: MONDAY

It's your first day back at school after the weekend and you're bursting to tell your friends all about your weekend and all the things you got up to. The thing to remember is that a good friend asks about others as well, so make sure you listen to your friend's stories too.

> "My bestie always asks me a million questions about my life. She'd be like, 'How was your weekend? What did you do? Was it fun?' It shows she cares." **Mia, 11**

Day 2: TUESDAY

Set yourself a little friendship task of giving out three compliments. Make sure you mean what you say and choose three different friends each week to compliment.

> "We had a class project where we had to give five compliments to five different people before the end of the day. It definitely made everyone feel good about themselves." **Karis, 12**

Day 3: WEDNESDAY

It's halfway through the week and the perfect time to let your friends know that they can always count on you.

> "My friend noticed that I was having trouble understanding something in class, so during lunchtime she went to the library with me and she spent some time trying to help me with it. It was a really nice thing for her to do." **Aria, 10**

Day 4: THURSDAY

We bet you have a big group of friends at school who you hang out with all the time, but on Thursdays why don't you take the time to get to know other kids in your year? Chances are you'll make some awesome new friends.

> "Once my friends and I had a big fight, so I started hanging out with some other girls from my class. Then when my friends and I made up, we all hung out together. I don't even know why we weren't all friends to begin with." **Mariah, 11**

Day 5: FRIDAY

Ask your parents if you're allowed to have a Friday end-of-week friendship day! Invite one of your besties over for an arvo of fun - have a sleepover or just watch movies and gossip.

> "Every so often Mum lets me have my best friend over after school for a few hours. We do our homework together and then play games until her Mum comes to pick her up." **Patricia, 9**

Day 6: SATURDAY

This day is usually sports day. If you're on a team, make the most of catching up with friends you only get to see once a week. If your Saturdays are free, then why not make it an 'active day' and go for a bike ride or meet up with friends for a game of soccer at the park.

> "I love Saturday mornings because it means I get to catch up with my friends at dance class. We all go to different schools, so we have lots of goss to talk about." **Zoe, 8**

Day 7: SUNDAY

You might not get to see any of your friends today, but that's okay 'cause you're probably doing something fun with your family. Just remember, the only way to have true friends is to be one yourself.

> "By Sunday, I'm missing my school friends so I write them letters telling them how much they mean to me." **Anastasia, 9**

DESTINY fortune TELLER

SEE WHAT THE LUCKY FORTUNE TELLER REVEALS ABOUT YOUR FUTURE...

CHARLI
D'amelio

It might, but no matter what, things will all work out in the end.

Good news! All the signs point to yes!

TAYLOR
SWIFT

It's probable, just keep your fingers crossed!

How to make it:

1. Neatly cut out your square and flip it over and lie it face down on a hard, flat surface.
2. Fold the square in half and lay it flat. Then fold it in half the other way and lay it flat again.
3. Next, fold each of the corners into the centre of the square.
4. Flip it over and again fold each of the corners into the centre.
5. Fold in half one more time and you're done!

How to play:

1. Think carefully about what you would like to know and then ask the question out loud.
2. Pick a number between one and 10, then count out the number as you fold your fortune teller in and out.
4. Now, pick a colour from the four choices shown.
5. Open up the top flap of your chosen colour to discover the answer to your question!

Think positive thoughts, and it will come true!

If it's in the stars then it will happen!

It's possible, but don't count on it...

OLIVIA
Rodrigo

OMG! It's totally possible!

Unsure. It's probably best to ask another question.

Help!

DOES YOUR KITTEN TRY TO SCRATCH AND BITE YOU?

If so, try and limit physical contact with your cat. If your kitten approaches you for a pat, rather than reaching out to pat her or to pick her up for a cuddle, it would be best to let her simply approach you and perhaps hand feed for a little while. Always end this when she wants more. You may also want to try a few strokes on her back if she's really affectionate, but you don't want to overdo it. By doing this, we are encouraging her to interact the correct way. Remember that training a pet takes time and patience, so don't get frustrated or give up. Good luck!

MEET MY PET!

Dear It GiRL,

This is my baby Pug, Coco. She is so cute and loves swimming in our pool, playing with her teddy, and eating! One of my favourite things is being greeted by Coco's little face when I come home from school. She is always so excited to see me. She is adorable.

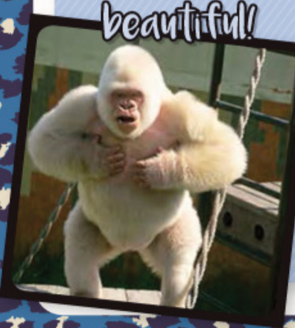
Rare and beautiful!



Little Snowflake - once deemed the rarest gorilla specimen because of his unique colour - lived at Barcelona Zoo in Spain until he died in 2003. Little Snowflake had 21 gorilla babies in his lifetime and none of them were white like him! Because of his blue eyes, it is thought Little Snowflake did not have true albinism but a similar disorder instead.

KIWI FRUIT SKIN IS EDIBLE!

Believe it or not, the hairy skin of a kiwi fruit is definitely edible and even has nutritional value! But be sure to be extra careful that you wash your fruit extremely well before eating it, especially if you're going to eat the skin.

BRAIN Freeze!

Ever wondered why you get painful headaches when you eat something cold? Well, when you eat or drink, food or liquid touches the roof of your mouth (palate). When something cold touches the centre of your palate the temperature can set off nerves that control how much blood flows to your head. This causes the blood vessels to swell up and give you a brain freeze. They may hurt, but don't panic 'cause they're not dangerous... just annoying!

SELENA GOMEZ

When you're a celeb, trolls can often make you feel bad if you read into too many comments about yourself. But Selena seems to have struck a good balance, using it when she wants to and not too much! "In the past, I could spend hours looking at other people's lives," she reveals. "I would find myself down nearly two years in someone's feed, and then I'd realise, 'I don't even know this person!' Now, I get information the proper way. When my friends have something to talk about, they call me and say, 'Oh, I did this.' They don't say, 'Wait, did you see my post?'" Go, girl!

WHAT DOES your bedroom REVEAL ABOUT YOU?

#NIGHT
NIGHT

MISS MESSY OR NEAT QUEEN?
TAKE OUR QUIZ AND FIND OUT!

WHAT'S LYING ON YOUR BEDROOM FLOOR?

a Your school bag, some shoes and a couple of magazines.
b Nothing. Everything is always put away nicely.
c There's so much stuff on your floor that you can hardly see the carpet.

WHEN PEOPLE WALK INTO YOUR ROOM THEY:

a Ask you how you can handle living this way.
b Are shocked by how neat it is and ask if your family has a housekeeper.
c Tell you how cool your room is and wish theirs was just as awesome.

YOU WOULD DESCRIBE YOUR ROOM AS:

a Neat, tidy, and organised.
b Cosy and comfy, filled with all your fave things and photos.
c Nothing special. Just the place where you store your belongings and sleep.

WHAT'S ON YOUR BED?

a Your fave doona and pillow.
b Cool pillows and cute stuffed toys.
c Clean laundry and a couple of books.

THE BEST THING ABOUT YOUR ROOM IS:

a It's your personal space.
b It's got lots of secret areas and compartments that you've created.
c It's decorated in your own style.

YOUR BEDROOM DOOR IS:

a Always open… unless you're getting dressed.
b Locked. Your permission is needed to enter.
c Usually closed, but everyone is welcome… they just have to knock first.

YOUR FAVE THING IN YOUR BEDROOM IS:

a Your bed, 'cause it's so comfy.
b Your computer – you're always surfing the net.
c Your desk – it's where you spend most of your time.

---

add up your score: **1.** a) 2 b) 1 c) 3 **2.** a) 3 b) 1 c) 2 **3.** a) 1 b) 2 c) 3 **4.** a) 2 b) 3 c) 1 **5.** a) 2 b) 1 c) 3 **6.** a) 1 b) 3 c) 2 **7.** a) 3 b) 1 c) 2

7–11 NEAT & TIDY

You love your room to be organised. You don't like clutter and you like things put away in their place. Being neat is great, but remember it's okay to relax sometimes – if you make a mess, you can always tidy it up later.

12–16 COMFY & COSY

You love your room to be comfortable and to represent who you are which is why you have your fave photos displayed and your walls are painted in your fave colour. Sure, sometimes it becomes messy, but whatever, you just clean up again!

17–21 MESSY & RELAXED

It may look like a tornado has swept through your room, but you know where everything is. Besides, as long as you keep the door closed, no one's going to notice that your bed's unmade... hopefully!
